a) Review and consideration for proposed signage for “Reed’s Native American Crafts” located at 629 Glades Road, Suite #4, requested by Tisha Reed.

Staff presented the request for one free-standing sign and one wall sign. Staff stated that the freestanding sign is the mall directory sign. The Board inquired about the materials and whether or not the sign consists of any dimension. Ms. Tisha Reed stated that the signs would be non-illuminated wooden signs with painted lettering and 3-dimensional raised objects. The Board then asked if the font style could be changed to be consistent on both signs. Staff questioned whether or not the wall sign was visible. Ms. Reed stated that the wall sign may not be visible from the public right-of-way. Staff noted that if the sign is not visible then a permit would not be required for the wall sign. Ms. Reed stated that the sign font could be changed if necessary to match the mall directory sign. After brief discussion Ms. Chris Johnson made a motion to disapprove the request with the recommendation to make the fonts match. Mr. Steve Reilly seconded the motion which passed unanimously.
