Staff Report

There was no Staff report.

Petitions and Communications from the Public

There were no petitions or communications from the public.

Old Business

Review and consideration for proposed signage for "Blue Smoke Vapor," located at 610 Parkway, requested by Mr. Asaf Ben.

Staff reminded the Board that this request was tabled at the last meeting on July 28, 2016, due to there not being any representation present to answer questions. Staff then informed the Board that the Department was told by Mr. Asaf Ben that the store had closed, and that is why there was no one present at that meeting to answer questions. Because the request had been tabled, it was still placed on the Old Business. Mr. Michael Anderson made the motion to remove the item from the table, and Mr. Tim Heinrich seconded the motion.

Ms. Chris Johnson made the motion to dismiss the request at the owner's request, and Mr. Dan Booth seconded the motion, with all members voting "Aye."

New Business

Review and consideration for proposed signage for "X-Treme," located at 715 Parkway #5, requested by Mr. Irina Khan.

Staff presented the request for new signage for 715 Parkway #5, explaining to the Board that this was a replacement sign for a new business, and that the sign would be the same as the previously approved sign, but with the different business name. Staff also noted that the sign would be the same colors, material and style as all the other signs in that particular group of businesses.

After a brief discussion, Ms. Chris Johnson made the motion to approve the sign as presented. Mr. Dan Booth seconded the motion, and all members voted "Aye," passing the motion.

Unscheduled Items

There were no unscheduled items.

Adjournment

There being no further business, the meeting was adjourned at 1:51 p.m. following a motion by Mr. Dan Booth and a second by Mr. Michael Anderson.
